Where comfort meets style

Welspun[®]
FLOORING

Sand dunes

Step into a world where the earth meets the sky in a seamless dance of hues and shapes. Inspired by the undulating forms and gentle whispers of the desert, we proudly present The Sandunes Collection - a fusion of nature's elegance and craftsmanship. In this collection, we delve into the soft, neutral tones that mimic the shifting sands beneath the ever-changing sky. From the warm embrace of golden dunes to the cool shadows of twilight, each colourway in our Sandunes Collection captures the essence of natural beauty.

TRADEMARKS & TECHNOLOGIES

NY6+™

For colors that don't fade out, Welspun Floorings Ny6+™ is made up of a highly resilient fiber that is known for its superior color retention, strength, stain and fade resistance. With all this, your floor always retains its beauty come what may.

Welspun Ecolite™

Welspun Ecolite™ backing are made up of lightweight PVC that not only reduces the overall weight significantly but ensures a 40% less environment footprint than traditional carpets. Despite that, this backing retains the highest performance standards.

Comfortile+™

With Comfortile+™, enjoy the most superior levels of safety, underfoot comfort and sound absorption. Equipped with a cushion back that is 20% more thicker, Comfortile+™ decreases sound reflection by 25% compared to hard back enabling you to enjoy quieter spaces which leads to better health.

HealthyFloor™ (Optional)

We also have carpet tiles options with antiviral property. Tested and certified by Resinova labs, we are the first company in India to offer antiviral carpet tiles. It eliminates 99.68% of virus thanks to a special coating of silver ion & titanium oxide.
