OUR LEGACY YOUR TRUST

WELSPUN GROUP

A STORY WOVEN OVER 4 DECADES.

How did we get here you may ask. So here's a brief introduction about ourselves. Ours has been an exciting journey, that was kick-started in 1985. From a small entity, today Welspun has reached the milestone of being named one of India's fastest growing conglomerates. No wonder we've been the envy of many.

WELSPUN

Welspun has created a wide range of products for the bed and bath category. And have we made a name for ourselves!

Our list of marquee clients includes names like Walmart, Coles, JCPenney in the US; along with Shoppers Stop, Lifestyle and Hometown in India.

A
LEGACY
THAT
YOU
HELPED
BUILD!

Do you know who has helped Welspun grow into one of the World's biggest textile giants? You. To be more precise, your trust.

And it has helped us transcend boundaries too. We are India's largest exporter of home textiles to the US. India's Fortune 500 list of companies - we're on that as well.

And we didn't stop there. Welspun carved a niche in steel and infrastructure too. Now we're marching on to a new frontier.
